4-H Endowment Silent Auction Items Needed

The Putnam County 4-H Council is hosting their annual Silent Auction during the Putnam County Fair, and we invite our clubs, volunteers, and local organizations to be part of this exciting event! Each Putnam County 4-H Club is encouraged to donate one or two items to help make the auction a success. As a helpful guideline, the 4-H Council suggests item values of approximately $1–$2 per club member. For example, a club with 50 members might donate an item valued between $50–$100. Items can be dropped off at the Extension Office by Wednesday June 17, 2026—and earlier donations are always appreciated! The more items we receive, the more exciting the auction will be for everyone. Proceeds from the silent auction directly support Putnam County 4-H youth by helping reduce project book costs and providing valuable scholarships. Be sure to stop by the Silent Auction during the fair. Place a bid, support local 4-H youth—and you just might walk away with some fantastic items.

Thank you for supporting the Putnam County 4-H Youth Program—we couldn't do it without you!

Junior Fair Premium Sale

One trip: Each exhibitor gets one trip through the sale.

The sale will go in order of last name starting with “A” to “Z” this year.

No animals will be brought through the sale arena (except Grand and Reserve). All sale animals will be sold by premium only.

All Grand and Reserve Grand Champion Market animals must be sold through the sale and be slaughtered.

To cover advertising, ribbons and supplies for the show and sale, a deduction of 4 1/2 % of gross sales on beef, swine, lambs, poultry, rabbits, goats and dairy will be made.

The Single Fryer rabbits will not go through the livestock sale. All single fryers will be sold to fair and loaded on market truck (if buyer agrees to take them). If you plan to take your single fryer home, you will need to designate that at the scale.

NOTE: Exhibitors must attend sale or have a designated stand in - no shows will not sell!

DAIRY/BEEF FEEDER CALF MARKET SALE: All feeder calves (exhibitors) which are selling will go through the sale arena as “fair” animals. Thus, each feeder calf will have a base bid prior to exhibitor entering the sale arena. Base bid animals will be sold individually by weight. These animals must go to the fair with the high base bidder receiving the calves.

Fair Board Notes

New/Updated for 2026

- Livestock must be brought following the Junior Fair Schedule. No animals, tack or bedding to be on the fairgrounds prior to Thursday before the fair including around the barns and tie-outs. Any tack, bedding or stakes will be removed from the area if in place prior to the Thursday before the fair unless prior approval from committee chair(s) is granted. The only exception is tack and bedding brought in for Equine.
- **Livestock Premium Sale Trips** – exhibitors will be awarded one trip through sale regardless of the number of champions. If an exhibitor has multiple champions, the sale auctioneer will acknowledge this, champion animals can be brought to ring, and pictures with buyers and champion animals will still be provided.
    - New in 2026, Bred & Fed winners will no longer be able to switch their selling animals in the Jr Fair Sale. They will still be recognized in the sale program if they are already participating in the Jr. Fair Sale
- **Market Swine** New updated rule for 2026. Exhibitors may bring up to 4 market hogs and 4 breeding hogs as long as they are taking the corresponding projects.
- **Livestock Project/Grade Premium Money**
    - Livestock Project/Grade premiums ($3 for every entry) will be available for pick up at the fair during scheduled times. Any livestock project/grade premiums not picked up will be forfeited and made as a donation to the livestock account.
        - **Non-Livestock project/grade premiums will be sent after fair**
- **Junior Fair Animal release** – market swine sold through the premium sale will be loaded for market on Friday evening of the fair. All other breeding, and market animals not selling will be released per schedule of Sunday @ 4AM

- **Manure Bins at fair** – the senior fair board wants to remind everyone that only manure is to be placed in the manure bins provided on the fairgrounds. No trash. When placing manure in bins, do not dump it at entrance of bin.
- **Feeder Calf Auction:** A note that Junior Fair feeder calves will be sold individually. Feeders will be sold by weight, starting with champions, the order will be beef, crossbred, then dairy feeders. Invoices for buyers will be generated Thursday after the sale and bills can be paid at the Junior Fair office until load out time on Sunday. No calves will be released without a paid receipt. The Junior Fair office will need time to develop invoices, so no payments for calves will be accepted on the evening of the feeder calf sale. Location for the feeder calf auction will be the entertainment tent, and buyers will receive a fair pass for gate entry.
- **Barn Fans:**
  In the Dairy Barn, Swine Barns, and Goat & Sheep Barn; fans are supplied and
  will blow north
  Rabbit / Poultry Barn Fans – fans are provided by committee. No personal fans permitted.
  Fans – under the guidelines of the Fire Marshall there will be no fans used in the barns that are considered "indoor fans" (box fans). All fans must have ground plugs. Surge protectors need to be plugged directly into outlet without use of extension cords.
- **Late arrival/early release of animals at fair**
  Any Putnam County Junior Fair nonmarket animal requesting late arrival or early release due to another show, must provide proof of entry to that show. This documentation and request must be provided to the Senior Fair Board Livestock Committee and Horse Committee (if applicable) and be preapproved to arrive late or leave early. Requests will be considered if it does not conflict with the animal showing in the Putnam County Junior Fair show.
- **Campers and power cords** – all cords providing power to campers must be rated at 30 amps and not spliced. If an extension is needed to reach power supply, they must be connected via plug only.
- **Per Putnam County Sheriff's Department**: All campers must be registered to someone over the age of 18 and this individual will be held liable and responsible for all activities at the site.
- **Are you selling market animals to Junior Fair or bringing them home?**
  To help Junior Fair officials prepare for the livestock sale and provide accurate numbers to our livestock buyers for base bids, exhibitors must declare if their market project animal will be going to market through the fair or taken home at weigh in time on Sunday of load in. Exhibitors will also need to indicate if they are participating in the livestock auction (premium sale). If animals are taken home, exhibitors cannot participate in the premium sale. No private purchases of animals at premium sale (cannot mark animals for 'fair' or 'home' at sale). Exception – families can make changes if they have multiple market entries and if their entries in the market projects win as Jr. Fair Champions. In these cases, families can change sale trips/pull non champion animals by visiting the junior fair office within an hour after the show and completing a request form. If this form is not submitted, exhibitor's market livestock will be required to sell (either through the ring or at market value).
  Reminder: All junior fair market Champions/Res Champions must sell to fair.
- **Fair Sale Premiums** – exhibitors sale premiums will be deducted if projects are not taken care of throughout fair week. This includes continual washing, feeding, watering and stall cleaning. If an exhibitor receives one notice for a dirty pen, they must clean pen within 12 hours. If the same exhibitor receives another "clean pen sign"; they will forfeit sale premium money.

- There will be no parking permitted on the grounds or around campers. The only exceptions include staff parking, handicap parking and fair judge parking. The infield of the track will be opened for buyers only to park on sale day and must be removed following the sale.
- No parking is permitted alongsouth/north swine barns during Sunday's animal load in day. Weigh-ins are throughout the day, and Sr. Fair Board needs those lanes open.
- There will be limited requests to move vehicles that are illegally parked. They will be towed more often without announcement. Please follow all parking guidelines and traffic patterns.
- Each feeder calf in dairy barn must have a neck tie along with a halter.
