

OHIO STATE UNIVERSITY EXTENSION

Hello 4-H Advisors, Parents and Volunteers

Please find below important information as we get closer to summer 4-H programs! Be sure to read things closely, this will have judging information attached, along with additional information about fair.

4-H Judging Notes – Read Carefully

Special Interest & Misc Project Judging

Putnam County Event Center at the fairgrounds, June 18, 2024, 8:30AM – 2:30PM

All Special Interest/Home Ec and Misc projects will be judged individually by experienced judges. Times are scheduled by clubs within each project area so be sure to check for all your times when schedule is released. When arriving at , please report to the Registration Table. There you will be given a Judging Sheet, location of the judge, and complete instructions. Details about schedule will be released soon.

If you have a conflict with the Judging (because of vacation, camp, school, or church obligations) please call the Extension Office at 419-523-6294 to schedule make-up judging option (June 20). Remember if you complete your project through make up judging or advisor judging you are ineligible for a county placing. All projects to be completed prior to fair start date.

4-H Junior Achievement Scholarships – are you a 4-H member between 12-16 years of age? Consider applying for a \$50 Junior Achievement Award. Application found [HERE](#)

4-H Endowment Auction Items Needed

A silent auction is being sponsored by the Putnam County 4-H Council during the county fair. Items for the silent auction can be donated by clubs, volunteers and area organizations. The high bidder for each item will be contacted and arrangements will be made to exchange payment for items.

Each 4-H Club in Putnam County is asked to donate one or two items for the auction. As a general guideline, the 4-H Council is asking that the value of the item be equal to a dollar or two per member. For example, if your club has 50 members, the value of the item should be around \$50.00-\$100. Items should be dropped off at the Extension Office no later than June 19, 2024. The earlier the better!

Please show your support for the Putnam County 4-H Youth Program, visit the silent auction, have fun bidding and possibly win some great items.

4-H Senior Spotlights:

Parents, if you have a 2024 senior who is in 4-H we are highlighting them through our OSU Extension Facebook page and High School Senior Board in the Junior Fair Building during fair. Please send email to downing.310@osu.edu for more information.

Health & Safety Speeches and Demonstrations

If your child is interested in doing a health or safety speech or demonstration, there will be no county judging this year. The 4-Her will be sent directly to state for judging. If interested, please call the office at 419-523-6294.

Are you selling market animals to Junior Fair or bringing them home?

To help Junior Fair officials prepare for the livestock sale and provide accurate numbers to our livestock buyers for base bids, exhibitors must declare if their market project animal will be going to market through the fair or taken home at weigh in time on Sunday. Exhibitors will also need to indicate if they are participating in the livestock auction (premium sale). If animals are taken home, exhibitors cannot participate in the premium sale. No private purchases of animals at premium sale (cannot mark animals for 'fair' or 'home' at sale). Exception – families can make changes if they have multiple market entries and if their entries in the market projects win as champions/bred and fed champions. In these cases, families can change sale trips/pull non champion animals by visiting the junior fair office within an hour after the show and completing a request form. If this form is not submitted, exhibitor's market livestock will be required to sell (either through the ring or at market value).

Reminder: All junior fair market Champions/Res Champions must sell to fair.

Junior Fair Premium Sale:

One trip: Each exhibitor gets one trip through the sale. If exhibitors have multiple Champions they will sell separately this year.

The sale will go in order of last name starting with "A" to "Z" this year.

No animals will be brought through the sale arena (except Grand and Reserve). All sale animals will be sold by premium only.

All Grand and Reserve Grand Champion Market animals must be sold through the sale and be slaughtered. To cover advertising, ribbons and supplies for the show and sale, a deduction of 4 1/2 % of gross sales on beef, swine, lambs, poultry, rabbits, goats and dairy will be made.

The Single Fryer rabbits will not go through the livestock sale. All single fryers will be sold to fair and loaded on market truck (if buyer agrees to take them). If you plan to take your single fryer home, you will need to designate that at the scale.

NOTE: Exhibitors must attend sale or have a designated stand in - no shows will not sell!

DAIRY/BEEF/CROSSBRED FEEDER CALF MARKET SALE: All feeder calves (exhibitors) which are base bid selling will go through the sale arena as "fair" animals. Thus, each feeder calf will have a base bid prior to exhibitor entering the sale arena. Base bid animals will be auctioned individually this year (not put into lots of three as we have in the past). They will be organized by class, gender and weights and then base bids will be given on each. These animals must go to the fair with the highest base bidder receiving the calves.

Advisor Information

FAIR BOOTHS: Attached is a map for booth assignments for clubs. The booth assignments are based on the number of special interest/miscellaneous projects of each club. Please remember that this space is for clothing, food, health, woodworking, and other miscellaneous projects only. Premiums will be paid for only one item per class project. Booth set-up times are listed in the Junior Fair schedule. Cloverbud projects may also be displayed in your booth.

Please remember when planning and setting up your booth the goals of the fair booth: To provide education to the viewers, to promote 4-H and the work done by members, and to offer a neat, attractive display. All exhibits should be arranged to be within the exhibit area from the back wall. Remember to bring well marked tools and tables for your use when setting up booths. Tables will not be provided. All projects must be on display the entire time the fair is in progress. Exhibits can be taken down starting **Saturday, June 29 from 8:00PM to 10:00 PM.** All booths must be down by deadline so we can tear down partitions and get them into storage.

NOTE: An advisor from each club will need to come to the Jr. Fair Building on Sunday, June 23 between 11AM – Noon to put up placing ribbons in your club booth if they have not been completed prior.

A packet with your clubs' ribbons will be provided. Ribbons will not be put up unless an advisor is present to do it.

Note: Please read through booth decorating guidelines so all rules are followed for the new event center.

Notes/Reminders from Sr. Fair Board

- There will be no parking permitted on the grounds or around campers. The only exceptions include staff parking, handicap parking and fair judge parking. The infield of the track will be opened for buyers to park on sale days.
- No parking is permitted along south/north swine barns during Sunday's animal load in day. Weigh-ins are throughout the day and Sr. Fair Board needs those lanes open.
- There will be limited requests to move vehicles that are illegally parked. They will be towed more often without announcement in 2024. Please follow all parking guidelines and traffic patterns.
- Manure Bins at fair – the senior fair board wants to remind everyone that only manure is to be placed in the manure bins provided on the fairgrounds. No trash. When placing manure in bins, do not dump it at entrance of bin.
- Campers and power cords – all cords providing power to campers must be rated at 30 amps, not spliced, or have any tape on them. If an extension is needed to reach power supply, they must be connected via plug only. These items will be checked thoroughly by fire marshals.
- Per Putnam County Sheriff's Department: All campers must be registered to someone over the age of 18 and this individual will be held liable and responsible for all activities at the site.
- Fair Sale Premiums – exhibitors sale premiums will be deducted if projects are not taken care of throughout fair week. This includes continual washing, feeding, watering and stall cleaning. If an exhibitor receives one sign for a dirty pen, they must clean pen as within 12 hours. If the same exhibitor receives another "clean pen sign"; they will forfeit sale premium money.
- Each feeder calf in dairy barn must have a neck tie along with a halter.
- Dairy/feeders/females will have first order of placement in dairy barn. Placement of beef feeders and market steers are the responsibility of beef barn superintendents. If questions, please contact appropriate barn superintendent.

Late arrival/early release of animals at fair

Any Putnam County Junior Fair nonmarket animal requesting late arrival or early release due to another show, must provide proof of entry to that show. This documentation and request must be provided to the Senior Fair Board Livestock Committee and Horse Committee (if applicable) and be preapproved to arrive late or leave early. Requests will be considered if it does not conflict with the animal showing in the Putnam County Junior Fair show. [Non-Market Animal Late Arrival/Early Dismissal Form](#)

Barn Fans

Dairy Barn Fans – if exhibitors are bringing fans for their livestock in the dairy barn, ALL fans will be required to face south.

Swine Barn Fans—North barn fans blow north, South barn fans blow south.

Rabbit / Poultry Barn Fans – fans are provided by committee. No personal fans permitted.

Fans – under the guidelines of the Fire Marshall there will be no fans used in the barns that are considered "indoor fans" (box fans). All fans must have ground plugs. Surge protectors need to be plugged directly into outlet without use of extension cords.

Jr. Fair Livestock Entry Forms

All 4-Her's wanting to exhibit livestock at the fair MUST complete a Jr. Fair online entry.

4-H Camp Scholarships

Camp Scholarships are being offered by Putnam County 4-H Council. Click [4-H Camp Scholarship Form](#) to download form. Camp Scholarships are due May 15 to the Extension Office.

Junior Fair Show Schedule – Please be sure to review the 2024 Putnam County Fair Book and take time to read through the Junior Fair section. There are several significant schedule changes, guideline changes, and show restructures.

Club Booth and Building Watch

We are asking Advisors help to sign up for a shift to watch the 4-H building through the week of the fair. Duties include keeping an eye on the club booths and Silent Auction space during your shift. We anticipate large crowds through the new building this year, so extra eyes on our 4-H stuff will be needed. Please visit the QR code below to sign up for a shift or call the office for a time. We are needing each club to sign up for a time. Thank you!

Rabbit Tattooing – Saturday, June 1, 2024

All breeding and market rabbits must be tattooed on **Saturday, June 1 from 8 to 11 am** in the show arena at the fairgrounds. Please plan to arrive no later than 10 am. If you have one or more breeding rabbits that were tattooed in a previous year, those do not need to come.

Please note: ***THERE WILL NOT BE A MAKE-UP DAY FOR RABBIT TATTOOING***. If you are unable to bring your rabbits on June 1, please find another 4-H'er, neighbor, family member, friend, etc. to bring them for you. If you miss rabbit tattooing, your rabbits can come to the fair but will not be eligible for competition and will show in the over/under class.

Taking a Pig to the Fair?

All pigs entered into the Junior Fair must be ractopamine free. Form found [HERE](#)

We will distribute the affidavits during skillathon judging along with the DUNF form link. Forms are also online. We will collect the completed affidavits at fair weigh in. Our market pig buyers may require this form in 2024.

DUNF Changes - Please read if you are taking an animal to the Putnam County Fair

The Putnam County Senior Fair Board and the Ohio Department of Agriculture has made it mandatory that exhibitors fill out a Drug Use Notification Form (DUNF) for MARKET GOATS, MARKET SHEEP, MARKET HOGS, LACTATING DAIRY, MARKET RABBITS, POULTRY PENS, and MARKET BEEF and **ALL FEEDER CALVES**. The DUNF will need to be completed online per ODA requirements. The DUNF online link will be distributed at skillathon judging and needs to be completed prior to start of the fair. If the DUNF's are not completed, you will not be able to show at the Putnam County Fair. No late forms will be accepted.

Please prioritize this requirement and deadline. If you have any questions, feel free to call the Extension office at 419-523-6294.
